

Mr S vs CFR & Others

BENCHMARK DECISION OUT OF THE NORTH GAUTENG HIGH COURT:

The North Gauteng High Court has ordered that if the cops can't provide you with the reasons for the refusal of your licence, then the licence was refused without good cause, and as such the refusal can be overturned in its entirety. Finally some relief for people who wait months for the refusal reasons to no avail. Those refusals can now be overturned directly where the cops can't or won't give you reasons for refusal.
